To the Voters of the City of Jefferson.

Owing to the solicitation of many of my friends I have decided to become a candidate for Mayor of the City of Jefferson, at the next election. I will have no time to make a personal canvass of the City but take this means of asking the qualified voters for their support. I will make no long promises to the good people of this city, as the reform should take place after the election and not before, but with a good board of aldermen I shall, if elected, endeavor to conduct the city government in a business like manner and without pay. I shall try to encourage public enterprise. To cause to be published a financial statement of receipts and disbursements of the taxpayers money, at least every 90 days. To aid the Civic League in their noble work, in which they have received so little encouragement. I believe in the old saying, "That one head, etc", and when a petition of 75 per cent. of the tax payers on any subject comes before the City Council, the wishes of the people should be carried out. Yours very truly,
CHAS. W. CARLSON.

The JIMP. office had a pleasant caller Thursday morning in Mr. H. E. Polk, who is manager of the farmers that are being opened up in Cass county on the C. & B. road. The land of 592 acres was purchased by the Southwestern Telegraph & Telephone Co. who have 100 acres cleared and worked by families, for truck and fruit growing. Mr. Polk is from Atlanta and says that he has several families now, and that he expects to raise potatoes, sweet potatoes, peas, corn, onions, goobers, ribbon cane, alfalfa, fall and winter cabbage and tobacco, in fact he believes in diversifying and will raise everything except cotton.

To the Voters of Ward No. 1.

We herewith announce for re-election as Alderman of Ward No. 1. We have tried consistently through our term of office to do all in our power we thought best for the good of the city and her people, and if re-elected shall strive to keep in this line. We solicit the support of all voters in Ward No. 1. City of Jefferson on April 4th.

Very truly,
WARD TAYLOR.

WOMEN WHO SUFFER

Listen to What Dr. Hartman Proposes to Do for You Without Charge.

Doubtless hundreds of thousands of women all over the United States have seen Dr. Hartman's offer in the papers—how he has undertaken to treat every woman suffering with any form of female disease who will write to him, free of charge.

To those who have not heard of this it may be said that Dr. Hartman is a physician and surgeon of great renown in medical circles, especially in the treatment of those diseases which women alone have to bear.

He has arranged to answer all letters that are sent to him from women troubled with any form of female weakness, free of charge, giving the benefit of knowledge which has cost him forty years to accumulate.

The medicines he prescribes are within the reach of any woman, and she can get them at any drug store.

All she is required to do is to send her name and address, together with her symptoms, duration of sickness and age. Address Dr. S. B. Hartman, President

of The Hartman Sanitarium, Columbus, Ohio.

Mrs. Senator Roach, of Larimore, N. Dak.; Mrs. Senator Warren, of Cheyenne, Wyo.; Belva Lockwood and Mrs. General Longstreet, of Washington, D. C., are among the prominent ladies who endorse Peruna.

Miss Helen Rolof, Kaukauna, Wis., writes:

"Several times during the past two years or more my system has been greatly in need of a tonic, and at those times Peruna has been of great help in building up the system, restoring my appetite and securing restful sleep."—Helen Rolof.

Miss Muriel Armitage, 35 Greenwood Ave., Detroit, Mich., District Organizer of the Royal Templars of Temperance, writes as follows:

"I suffered for five years with uterine

irregularities, which brought on hysteria and made me a physical wreck. I tried doctors from the different schools of medicine, but without any perceptible change in my condition. In my despair I called on an old nurse, who advised me to try Peruna, and promised good results if I would persist and take it regularly. I kept this up for six months, and steadily gained strength and health, and when I had used fifteen bottles I considered myself entirely cured. I am a grateful, happy woman to-day."—Miss Muriel Armitage.

Miss Lucy M. Riley, 23 Davenport St., Cleveland, Ohio, writes:

"I wish to add my indorsement to thousands of other women who have been cured through the use of Peruna. I suffered for five years with severe backache, and when weary or worried in the least I had prolonged headache. I am now in perfect health, enjoy life and have neither an ache or pain, thanks to Peruna."—Lucy M. Riley.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.
